

Dell Digital Locker

How to download multiple license files

STEP 1 Open and sign into your Dell Digital Locker account

Open **Tools** page, then License Activation link; Activated license tab to download all available license key files

Select "Download Selected Items" from the pulldown

Products are shown here

The screenshot shows the 'Activated licenses' page in the Dell License Activation tool. A green callout box points to the 'Download Selected Items' option in the 'Actions' pulldown menu. The page includes a sidebar with navigation links like 'Products', 'Order History', and 'Tools'. The main content area shows a table of licenses with columns for 'Primary ID', 'Order Date', and 'Order Number'. A red text annotation 'Products are shown here' is placed over the table area.

STEP 2 Download all your licenses

Open **Tools** page, then Download Files link; Files ready for download will be available in your account for 240hrs (10 days). After 10 days they will be removed.

Select files to download

Download Files

Access download requests associated with your account that required extra time to process due to their size. Download requests are available for 240 hours (10 days).
